

QUICKSTEP

online electronic portfolio systems

Why QuickstepV2 ?

- Whole frameworks can be assessed, tracked and verified in an integrated process.
- Intuitive automatic cross-reference tool, enables maximum impact to be extracted from all evidence loaded.
- Your own bank of learning resources and questions can be installed in the system.
- Using a PDA the QuickstepV2 system provides total mobility for assessment anywhere.
- The only E Portfolio system to use the JAB guide as a template for verification, ask your EV about it.
- You only buy for the candidates you have to assess, with no hidden costs... you just pay for what you need.
- Our support team can administer your site, leaving you to get on with assessment.
- Improve Retention and achievement.
